CARGO CONTROL

DCL offers a full line of 2", 3" and 4" winch straps. All winch straps are made from resin-coated polyester for minimum stretch and maximum weather and wear resistance. These rugged straps provide the strength and durability demanded in flat-bed tie-down requirements. All 3" and 4" straps are California rated 12,000 lbs. All winch straps available in either loose end or sewn pocket (captive) style.

PART NO. CS20 - 2" WIDE

Cordura Nylon Sleeve provides added abrasion resistance while also giving maximum conformance to load contour. Standard lengths are 12", 18", and 24". Other lengths available upon request.
