

(A division of Dreyfus-Cortney, Inc.)

AP & Staff Accountant

DCL Mooring and Rigging is a growing New Orleans-based company seeking a professional to join our team as Staff Account and Accounts Payables in our New Orleans office. This position reports to the CFO and works with sales, operational and administrative staff. Assisting the CFO in financial statement preparation, this position is critical in ensuring timely and accurate reporting. This position is also responsible for account payable's processing including coding, reconciliation, accuracy and timeliness.

The ideal candidate will have impressive communication and organizational skills, be diligent in completion of responsibilities and self-motivated. They should maintain a high degree of confidentiality, integrity, patience and judgement. Meeting deadlines timely and maintaining compliance is a must. They must be customer service oriented, present themselves in a professional manner and take ownership of this position within DCL.

Qualifications listed below.

Salary is commensurate with experience, skills and education.

E -mail resume to: **employment@dcl-usa.com**
